NEWSLETTER September 2026

We are delighted to share the latest news from the FERC Family with you.

THE FERC STUDENTS

School Visits

Visiting students at their schools and also meeting with their advisors and principals is very important to FERC and we make a point of visiting each of the 34 upper secondary schools within a 3 year period.

In the past few weeks we have met FERC students at Mae Chaem, Chom Thong, Hod and Doi Tao High Schools. It is always a delight to be able to interact with them and their teachers, and here are just some of the photos from the visits.

Christmas Cards Designed by FERC Students

We asked the FERC students to create art for Christmas cards which we can sell at different events and the response was really amazing. We are now printing cards featuring these amazing 5 art pieces which you can purchase and give joy to your families and friends.

FERC ACTIVITIES

Our goal is to raise general awareness of FERC, our mission goals and to reach as many people as possible. And now you can also follow us on LinkedIn!

LinkedIn

Talk held at **Chiang Mai International Rotary Club**

Eveline recently talked about FERC at the Chiang Mai International Rotary Club where we were not only able to spread the word about FERC but also widen our network of people who are involved in helping students to have a better future.

News Articles

Helping to spread the word about FERC:
